Other	€5,400.00	€2,400.00
Total	€11,900.00	€4,900.00

Project activities:

Activity Number 1- Creating videos that will debunk disinformation about NATO and raise awareness of NATO's role and mission in Georgia spread by local influencers and through social media accounts.

Activity Number 2- Conducting training sessions in disinformation, misinformation, propaganda and ways to confront it for local communities. This will take place in local NGOs, schools, American Corners and civic centres.

- Activity Number 2 - Stage 1- Training the trainers by experts and lecturers in the topics mentioned above.

- Activity Number 2 - Stage 2- Training the locals, consisting of 3 training sessions in each region by students and locals in their mother languages.

Activity Number 3 - Conducting interactive and accessible workshops held by experts and lecturers addressing specific cases of disinformation and how to counter it.
