Open  
Government  
Partnership

It's been a huge pleasure working with you as part of this very special open government family. And often it's been great fun as well! Looking forward to our paths crossing again, hugs and abrazos, *Helen*

You can be proud of yourself as an SC member having helped bring the OGP summit to Georgia. You are a source of inspiration and while I am sad to see you go I look forward to collaborating more closely with you under the auspices of PWYP in Georgia. Best wishes, *Elisa*

Thank you very much, Giorgi, for your incredible work and tireless commitment to the cause of freedom, inclusiveness, and participation. It has been an honour to share with you the work at the OGP Steering Committee

*Delia*

I will always remember your fabulous welcome to Tbilisi and your eloquent toasts at every occasion! Stay in touch, please.

*Lucy*

Dear Giorgi,  
I have really enjoyed working with you during your time in the SC. I know that I will still work with you in the future because I already made sure to invest time in keeping you close to OGP. It is a very selfish thing to do, I know, but you will keep being a changemaker in your areas of expertise in your parts of the world and I think we can all benefit from that. Talk to you in the coming weeks.

*Maria*

Many thanks for your kind hospitality in Georgia, great ride to Kazbegi and great talks! It was nice to meet you and see your constant happy attitude to life. Best wishes - a fulfilling professional life and a long happy family time with your beautiful wife! Looking forward to see you on the way,

*Zuzana*

Thank you, Giorgi, for your amazing and passionate service on the Steering Committee. I am enriched by your contributions and will channel your enthusiasm for OGP and its values on the Steering Committee for the next two years!

*Aidan*

Dear Giorgi,  
It's been wonderful working with you on the OGP Steering Committee. Thanks for all your skill and political guidance around the Tbilisi Summit, and for continuing to hold the Georgian Government's feet to the fire on open government. Thanks also for being such a strong regional and global champion. I know we will continue to work together - and I hope one day we can enjoy a celebratory meal together in Georgia or somewhere else!

All the best

*Joe*

Giorgi - you are one of the earliest people I met in OGP and I want to thank you for the many roles you played through the years both in Georgia and globally. Can't wait for your next innovations and contributions in your envoy life!

*Paul*

Dear Giorgi,  
You have been involved with OGP for so many years, I know you will continue your excellent work on open government and that this is not good-bye. I look forward to remaining in touch and to our common efforts in the future.
