'Progressive' changes and 'stagnant' continuity: research experience in the Central State Archive of Uzbekistan

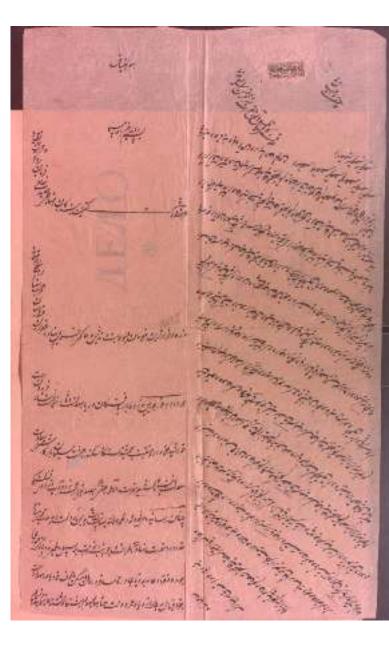

Saidolimkhon Gaziev, Doctoral Fellow Humboldt University in Berlin

## History of the archive

- Founded in 1919 on the basis of the documents collection of the governor of Turkestan
- 1920s and 1930s: reorganizations and major acquisitions
- Qoshbegi archive fond 126
- 1992 onwards the Central State Archive of Uzbekistan
- Uzbek communist party and KGB archives left out
- Continuity of Soviet style prohibitive attitudes

## Getting into the archive

- Registration torment: what if you are a foreigner
- Reading room: crammed into a barrel
- Research conditions: back into pre-PC age
- Functions and purposes of the archive: look into the future

## Challenges and 'progress'

- Preservation of the documents
- Archival legislation and conditions for research
- Obsession with international rankings as a substitute for the real improvements
- Management issues
